“ *Mike and Dawayne, I was so sorry about the loss of your mother. She was always such a joy to be around. I loved her infectious laugh! It gives me (and, I hope, you) comfort to know she is with your sweet dad and my precious Sharon. My love and condolences, Staci (Duncan)*

“ *To all of those who loved Thelma (or Mo as Del always called her), Clint and I always had fun when we were with Thelma and Del. Thelma was one of my dearest friends, and my memories of her are nothing but good ones. Too many fun times were had by the Castleberrys, Johnstons, and Chastains to mention here, but they will remain in my heart forever. God bless you, her family as I know how much you will miss them.*

“ Dawayne, Mike, Carla and all members of "Mo's" family. Ray and I are saddened by the loss of "Mo". We have so many memories of great times with your parents, time spent in their homes in Arlington and at the lake.

Thelma and I played a lot of golf together. She and Del have a very warm place in our hearts and will be missed. Please know that we loved her and regret not seeing her for the last several years. Ray and Joan Johnston
