“ *I have thought of Tina often the last two months only to learn just now that Tina passed. I prayed for her and Terry. Tina was always thinking of other people, the true heart of a nurse. I regret I did not know her longer. I know she is no longer hurting but I pray for Terry, knowing how she was his Soulmate, love of his life. I am so sorry that such a talented writer, nurse, friend, belly dancer, all around wonderful person had to suffer so much. May she have everlasting eternal life...I know she will...*
