“Tommy was a delightful person and an outstanding person of character. He always portrayed his faith and belief in his fellow man and his God through his respect, sharing, and caring for others.

*His ability to make a garden grow, where others may not, and then share*

*his bounty with friends and those who didn't, said much of his.*

*Character and religious belief in God, his family and his fellow man.*

*Tommy will be missed at the coffee group where he shared. His thoughts with his fellow coffee drinkers, and helped us in making all those giant decisions on current affairs in solving the many problems of the world and local governments.*

*Rest In Peace Tommy and may God bless you until we ourselves have the great calling and honor of being with you in Heaven.*
