“ It is with heavy hearts that we reach out to you on this day, as we want to take a moment to share our thoughts and memories of Tony. Although we only knew him briefly, we feel very blessed to have shared experiences with him and got to know him as a person. Working with Tony never felt like a daily routine, but rather an opportunity to spend time with a close friend and someone who couldn't wait to help us grow as a company. We will remember him as a loving father, a kind heart, and a cherished friend.
