“ *We called her Mrs Treva. I was in the insurance business 28 years and was new to pharmacy work. She was so patient and calm with me. She really helped all of us. She could work wonders with that robot we had. She will be missed. My wife also worked with her had has good memories. May all the family have peace during this time.*

“ *I was shocked to see Treva in the paper. When I last saw her she looked great. I remember how she was so brave during her own cancer battle and the best caregiver during Terry's battle. She always greeted me so warmly when our paths crossed at the hospital, a frequent occurrence that I missed after she retired. My prayers to all for comfort and peace!*
