“ Kim..... My heart is just broken for you my friend. I have loved your family since I was a little girl. So many special memories with all of you. I will never forget all the times jumping on the trampoline and yelling hi over the fence to your Dad when he would arrive home from work. I know he missed your Mama something fierce and to know they are reunited and celebrating together is such a beautiful thing. Remember it is not goodbye forever but see you soon Dad. I love you so much Kim.
