“ *My husband and co-workers were the men in the shop across the street from the home that did CPR, and contacted EMS when Urania passed. We would really like to know about services and which name we have seen is correct. The paper originally reported her name as Euvania Charnasha Sims, and then Urania Starnisha Sims in the obituaries the following day. We would appreciate a response to both requests. Thank you and God bless.##imported-begin##Michelle and Jimmy Jones##imported-end##*
