“ Aunt Susie had a paper route & one time I went with her, well she'd drive those Tyler streets like nobody's business, whipping in & out etc. Needless to say, I ended up with motion sickness & was so sick, she thought it was funny & said I literally looked "green".

I love you Aunt Susie forever & always! Until we meet again - Love Reese aka Marisa

Susie helped me at our Video store. Cleaned movie cases with me, had great talks and was a sweet friend. I pray for the family that she left behind.

“ I've known Susie for many years of her life even though I haven't seen her in a very long time the one thing that was consistent with Susie was her ability to make you laugh! She always had a smile and a good joke behind it! 😊 laughter was a common thing in their home when they were together! a family with very deep Christian values and knew how to face hard times! Talking about the goodness of God was a everyday occurrence if you were there ! Those are some very special memories tucked away in my mind about this family! I know Susie had a great homecoming and many to welcome her home 🙏 Even though the ones left behind have heavy hearts and she will be greatly missed they also have piece in knowing she is home with the Lord and her loved ones! God Bless this family 🙏
