“ *Gail, My Husband Harold and I just got to Santa Fe, NM late last Friday night. I checked our email here to find the notice about the loss of your Dad. I am so sorry I was not still in Lindale to offer you a loving hug. I know you all will miss him during the coming holidays. I feel he is in God’s hands and is looking down on all his family and would want you to continue as usual, although there is no shame to have tears while laughing at the same time in reliving some great memories you all have shared with him and now memories will be made without him physically here but always in all of your hearts. Give my love to your Mom and all of your family.*

*May You All Be Filled with HIS, Light, Laughter & Love,
