“ To my brother-in-law, Walter Glasscock, I have loved you for what seems like forever, but I know how much my sister Kathy loved you from the moment she met you!!! I don't think that I've EVER seen her so happy.... really giddy happy!!! She had met the love of her life, YOU!! Us Mathis girls always went for the "bad boys"..... they are more fun!! And you were definitely a whole lot of fun....Then along came that tiny baby girl, Kassi, and you guys were so ecstatic..... she brought you both so much happiness and love and Kassi is and has been an outstanding young woman!! I know how proud you were Walter! You will be missed big time in our family! I will always remember your advise about reading my scriptures, especially Proverbs (your favorite) and I will always think of you when I do. I know without a doubt that you are in Heaven and you are in God's Hands now. Say hello to my Daddy, ok? I will always love you Walter, love judy, your forever sister-in-law.....

Walter, you were always so much fun to be around. I will always cherish our memories of growing up together as neighbors. Time and life gets in the way and for the last few years it was just your arm hanging out the window waving with that big grin on your face as you drove by my house. Say hi to my granny. Love you
