“ Wanda and my mother, Beth Tatum, had lots of laughs and fun times as neighbors, good friends and walking partners at Hideaway. No doubt, they're cutting up together again in heaven. After my mother passed away, I continued visiting Wanda and Twiggy (her beloved cat) whenever I made it to Hideaway. She - and her lively personality and warm laugh - will be greatly missed. Wanda's family has my heartfelt condolences and prayers in the loss of this special lady.
