“ *Oh the shenanigans you put up with sweet little lady! What a wonderful last few visits we shared on the front porch in our night clothes. Thank you lord for putting her and Mr D in my life at just the right time!*

“ *Our sincere condolences. She was a dear sweet lady. May you all be wrapped in the comforting arms of our heavenly Father. When I was a little girl Wanda and Don lived across the street from my grandparents. I would see her sweeping the garage and driveway. She always looked so beautiful. I could see her sweet spirit glow around her as she watered the plants. She and Don's time on earth was truly a blessing to all who knew them.*
