“ We were so blessed to meet Wayland Hicks. When Love and War Lindale was being established, and we would visit, Wayland was one of the first to make us feel welcome. His talent as a musician made us instant fans and his warmth and kindness, instant friends. We will always remember how Wayland was a part of raising funds for tornado victims - donating time and items and music - and then found he and his family had been impacted greatly as well. Wayland will be missed. His family, friends and the Lindale community are in our thoughts and prayers. In His grace and with comfort - Jeanne and Tony Thoes

His smile, love of country music, and laid back demeanor inspired and impressed me. I was with him just last night after rehearsal, and he helped me load my speaker cabinet into the truck and I thought, "how nice." This is all so hard to absorb, but I want the family to know what an impression he made on me. I will never forget him. God bless you all and may He be with you during this difficult time.*

I'll never forget us going on the hayride and holding hands under the blanket in junior high. That little memory always made me laugh. You were a wonderful guy and a real sweetheart. You will be missed by all. Until we meet again... Sondra Newsom Huggins*

“ *I remember the first time I heard Wayland play the guitar and sing wad when he sang a song to his oldest daughter at a basketball half time show at the high school, my daughter was performing with the star steppers. And afterwards I told him he reminded me of my dad who had just passed away, he played the guitar and sang as well. And that’s when I became a big fan of Wayland and the Travelers. I loved listening and watching him perform.*
