Jane was a career nurse and served in many capacities including critical care, wound care, office nursing, and taught as an instructor of nursing at Covenant School of Nursing in Lubbock. She retired in 2009 and moved to Lindale, Tx. She was a precious lover of people, known as the "cookie lady" because she delivered cookies to everyone she knew or didn't know, just to brighten their day. She was a lover of Jesus and so very proud of her children and grandchildren. She is survived by her husband of 54 years, Harlan Reddell, her children Doug and Elizabeth Stricklin of Lindale, Mike and Donna Reddell of Lubbock, and Robin and John Lage of Cedar Hill, eight grandchildren and five great grandchildren. A special thanks to Tayler Johnson, Rhonda Foster, Hazel Dixon, and Kim Collier's team at In House Nursing for the exceptional care given to Mom over the last four years. The family will honor her life in a private service at a later date. In lieu of flowers, the family requests memorials be made to Christian Women's Job Corp. of Lindale at cwjclindale.org.

“ *I worked with Jane at The School of Nursing for ten years and found her to always be supportive, kind and friendly, though professional. She helped me out on a person level once when I had an emergency situation, and I was grateful for her going out of her way on my behalf. A beautiful woman.*

Jane taught me as a student and I taught in the Advanced Medical Surgical Area with her at The School of Nursing. She was undoubtedly one of the kindest, most professional nurses I have ever known. She went out of her way to help me solve a personal problem at the school—even coming to my home. I will always be most grateful to this beautiful, kind person. From Emalie Endsley, MSN,CFNP
