“ *Rita,
Patti and I just received word of Jack's passing. We are so sorry for your loss and ours. You and Jack made us feel like family from the first time we met you. Our prayers are with you and we hope to visit with you soon. Until then, our prayers and hope are with you and of course, our beloved friend, Jack. God bless you.

“ Gordon & I were so saddened to hear Jack had passed away. Rita we have so many happy memories of you & Jack. Every time we eat BBQ I think about the many times we used our coupons to go for dinner. We also remember you were the ones who got us to come to the "Valley" and the happy days we were together down there; the times we played golf and went to the Legion and watched "that couple" dance. Oh what fun we have had together. We so wanted to come to the Services but both of us have been sick the last couple of weeks and certainly didn't want to spread it around. As soon as we feel better we will come out to see you. Give our love to Jim and family.

Love,
Dot & Gordon
