“ How can you sum up Bill in one little box like this? He was too much of a man to fit in such a confined space. He was warm and welcoming, kind and compassionate and a whole lot of fun. Bill was the kind of person you just wanted to be around. He always had a smile on his face and an empty seat next to him waiting for you to sit with him and chat. He was someone you looked forward to seeing and knew that he would always be happy to see you too. I will truly miss this wonderful man, his huge heart and his light. My sympathies are with all of his family and friends right now and I truly wish I could be there with you. All my love, Jo##imported-begin##Joanna Gibbs##imported-end##
